# STAG CREEK MAKES BID FOR TOP STATE HONORS

Comanche County's Stag Creek, one of the oldest and most progressive rural communities in Texas, shot its big gun Wednesday and "put the big pot in the little pot" for an enormous feast to feed hundreds of people who attended its final two-hour tour in the Texas Community Improvement Progress Program.

It was the most colorful tour ever made by the Stag Creek community, including the one made previously this year, which placed it among the three best communities in the entire State of Texas.

Main aim of the tour was to show the judges the outstanding progress made in the Stag Creek community during the contest year just closing. Judges will say whether top State Community Improvement honors should go to Stag Creek; to Shady Grove in Upshur County; or to Stillman in Willacy County in the Lower Rio Grande, sometimes called the Magic Garden Spot of Texas.

Stag Creek received the solid backing of other the Community Progress Clubs in Comanche County and over the district. Many of them had delegations present, including Bell, Erath, and other counties.

One of the deciding points in the contest is the cordial relation and co-operation of rural and city districts of the area. We believe Stag Creek will get a rating of 100% on this issue, as it seemed that almost every business institution and organization in Comanche had representatives present for the tour. Comanche Jaycees directed the tour; the Comanche Lions served the noon meal; and Boyd Anthony, president of the State National Bank, furnished the barbecue.

Most of the County and City officials were present, including: Comanche School Superintendent S. H. Fletcher; County Judge Dwight M. Brightman; County School Superintendent Elzo Brinson; Bill Dudney, president of the Chamber of Commerce; Dr. James Slider, president of the Lions Club; Albert Brannan, president of the Jaycees; County Clerk Fred Hall; Sheriff Belve Bean, who led the tour; and most members of the City Council.

BARBARA HARRIS, student of Gustine High School, has recently been named salutatorian for the Senior Class of 1960. Barbara, daughter of Mr. and Mrs. H. S. Harris, Rt. 1, Dublin, has an average of 93.6785 for her four years in high school.

**VIRGINIA ISHAM**, daughter of Mr. and Mrs. Gayle Isham, Rt. 1, Gustine, has recently been named as the valedictorian of the Gustine Senior Class of 1960. Virginia has an average of 94.7857 for her four years of high school.

## 58 Absentee Ballots Cast Here; Next Tuesday Will Be Deadline

A total of 58 absentee votes had been cast for the Democratic Run-Off Primary up to Wednesday afternoon, according to information received at the County Clerk's office.

Deadline for voting by absentee ballot for the June 4 election is next Tuesday, June 1.

When Comanche County voters go to the polls Saturday, June 4, they will find one statewide race—that for Judge of Court of Criminal Appeals; no district contests; one county-wide race—for Tax Assessor-Collector; and four in precincts.

Attracting considerable interest in the county is the race for Tax Assessor-Collector, matching John D. Beaty, Jr. and J. Y. Robinson, Jr.

The W. R. (Bill) Elliott-R. E. (Bob) Gressett race for Commissioner Precinct No. 1, and the Homer Ed Miller-Irvin Dunn race for Commissioner Precinct No. 3, will bring out the voters in these areas.

Samuel (Sam) Salois and C. L. Lee Stevens are in the other contested race, for Constable Precinct No. 1. Voters in Constable Precinct No. 5 will find only one name on the ballot—Rabe Scott, who was leading man in a write-in vote cast in the May 7 primary. Mr. Scott qualified with the County Democratic Executive Committee to have his name on the June 4 ballot.

County Democratic Chairman D. F. Caraway urges a full vote on Saturday, June 4 in the run-off primary, but estimates that the count may come some 1,000 to 1,500 votes short of the 4,200 polled in the Mary primary.

**STATE TREE**

The pecan tree was named the Texas State ree n 1919 by the Legislature.

# PLANS ARE SET FOR JUNIOR RODEO

Plans are all set for the second annual Comanche FFA and 4-H Club Rodeo to be held here next Thursday, Friday and Saturday nights—June 2-3-4. The event is sponsored by the Comanche Roping Club, and is to be held at the Comanche Rodeo Arena, one mile out on the Brownwood Highway.

FFA chapters of Early, Zephyr, Sidney, Comanche, Gustine, Mullin, Blanket, Goldthwaite, Pottsville, Priddy, Indian Gap, and Hamilton have been invited to participate.

Nightly events will include the grand entry, reining contest, bull riding, barrel racing, goat milking, calf riding, calf roping, and bareback bronc riding.

Admission prices will be 25c for students, 50c for adults.

Roping Club President Eltos Dudley points out that the Comanche County Livestock Association will operate the concession stands at the rodeo—and all proceeds will be used to pay on the recent improvements of the Junior Livestock Show Buildings.

Committees appointed for the three-night show are:

Bulls and Horses: Ikey Pipes, George Williams and Bally Robertson.

Goats: Eltos Dudley.

Pens and Grounds: Oral D. Morris, Jack Riley, and Gus Wilhelm.

Feeding and Handling Livestock: Donnie McDougal and Joe Waring.

Getting Stock to Chutes: Dudley Aldridge, T. G. Frick, Gene Biggs, Frank Switzer, and Joe Waring.

Front of Chutes: Bally Robertson and Charles Lane Dudley.

Register Contestants: George Willis and David Willis.

Tickets: John Robertson, Herb Goodson and James Slider.

Timekeepers: Joe Waring and Bill Clemons.

Judges: R. H. Cason, Jr., Taylor Duncan, and James Greene.

Clown: Gene Biggs.

Secure Ropes-Calf Riding: Oral D. Morris, Gus Wilhelm, and Ollie Gandy.

Hot Shots: Donnie McDougal, George Williams, and Bally Robertson.

**Back From Georgia**

Mr. and Mrs. Alfred McKinzie have just returned home from a three weeks visit at Ft. Benning, Gas., with their son-in-law and daughter, Capt. and Mrs. Bill Bassham and son, Lanny. Their daughter, Natalou, underwent surgery while they were there, and was doing nicely when the McKinzies came home.

**Largest and Smallest**

Brewster is the largest county in Texas with an area of 5935 square miles. Rockwall is the smallest with 149 square miles.

**DELEGATES TO DISTRICT 8 GIRL'S 4-H TRAINING CAMP**—Comanche County 4-H members attending the Girl's 4-H Training Camp at Camp Tres Rios, Glen Rose, May 25-26-27, from left to right are Carol Lee Steele, Junior Leader from the Sidney 4-H Club; Shirley Bauer, delegate from Sidney; Mrs. J. A. Cox, Adult Leader, Sidney; Linda Janes, delegate, Sidney 4-H Club, and La Juana Wright, delegate, De Leon 4-H Club. The group left Wednesday morning and will return to Comanche Friday afternoon. Miss Kathyleen Stringer, Home Demonstration Agent, will also attend the training camp.

# 46 SENIORS TO GRADUATE HERE FRIDAY NIGHT

Commencement exercises for Comanche High School Seniors will be held Friday evening, May 27, at 8:00 o'clock in the high schol auditorium. A student participation program is scheduled.

The baccalaureate service for the Comanche seniors is scheduled for Sunday, May 23, at 8:00 p.m. in the high school auditorium. Rev. Kenneth Rouse of the Central Christian Church will be the principal speaker.

The theme for the commencement exercises will be "Not Finished, Just Begun." Tommy White will deliver a speech entitled "The Past Is A Foundation." "Yield Not the American Way" is the subject for the valedictory address to be given by Mary Ann Durham.

J. E. Lightfoot, high school principal, will moke the presentation of awards and honors at the commencement exercises, and S. H. Fletcher, superintendent of the Comanche Public Schools, will award diplomas.

Miss Durham, the valedictorian, is the daughter of Mr. and Mrs. Gilmore Durham of Comanche. Her scholastic average through four years of high school was 96.4. A popular student, she has been active in school affairs throughout her high school years. Mary Ann has been high ranking student of her class each year in high school.

Tommy White, the son of Mr. and Mrs. Elmer White, is a special education student. He had polio when he was eight years old, and has lived in Comanche for four years. Miss Lee McGlothlin, his teacher, says of Tommy, "Tommy is well read in almost any subject. He is a good pupil in all of his studies, especially math. Tommy has had a full curriculum which wasn't easy. He has taken bookkeeping and typing, as does any normal high schooler." Tommy's hobbies include drawing and reading.

Other honor graduates are Judith Allen, Nancy Davis, Mary Payne, Charles Miller, John Gleaton, Betty Burton, David Goodson, Glenda Hanson, Tommy McDonald, Bob Slider, Sue Butler, La Jane Davis, and Richard Lane.

## Lou Ellen Durham To Receive Degree At Baylor University

Lou Ellen Durham, daughter of Mr. and Mrs. L. C. Durham, Comanche, will receive her Bachelor of Arts Degree from Baylor University Friday morning, May 26. She is an English major.

Lou Ellen was valedictorian of Comanche High School's 1957 graduating class. She and her sister, Betty Grace, who is a freshman at Baylor University, will attend summer school at the University of Mexico in Mexico City.

# SUMMER BASEBALL LEAGUE PLAY BEGINS NEXT WEEK

The summer baseball program at Comanche is all set to begin next Tuesday night — with two Little League games on tap, matching Gustine and Raiders in the opener, and the Saints and Toppers in the nightcap.

Ray Smith, Comanche High School basketball coach, is to direct the program.

Four Major Little League teams will vie for the title — and a double round robin schedule is planned. Mayor Little League teams are the Toppers, sponsored by Durham Peanut and Central Texas Fertilizer; the Raiders, with Harelik's as sponsor; Gustine, sponsored by Higginbotham's, and the Methodist Saints.

Four teams are also set in the Babe Ruth League, consisting of boys 13 through 15 years. They are Arthur Chevrolet's Hot Rods, Durham Pharmacy Braves, Blanket, sponsored by the Blanket State Bank, and Gustine.

Regular league play will be on Tuesday, Thursday, and Saturday nights. The program is sponsored by the Comanche Jaycees, Chamber of Commerce, and Lions Club.

Six Minor Little League teams are are slated for action. They are Sidney, Blanket, Toppers, Dudley's, Raiders, and Saints.

The games, originally set for Thursday night, June 2, and Saturday night, June 4, will be re-scheduled due to conflict with the Comanche Junior Rodeo.

Recreational Director Smith advises all boys 7 through 15, who have not yet signed for summer baseball, and interested in playing this Number 1 Comanche summer sport, that it's not too late to sign up—and if interested in playing, to contact him or one of the team managers soon.

## Memorial Day To Be Observed As Holiday Here

**Comanche will observe next Monday, May 30, Memorial Day, as an official holiday.**

**This is one of the six approved holidays of the year—as voted by Comanche merchants to be observed during 1960.**

**Most Comanche firms will be closed all day.**

## Sarah Lou McCullough District Winner In 4-H Club Contest

Sarah Lou McCullough, daughter of Mr. and Mrs. Gayle McCullough of the Newburg Community, won a ten day educational trip to California, for her district winning Cooperative Result Demonstration Record Book.

Sarah Lou, popular CHS Freshman, also won a $25.00 Savings Bond in addition to this all expense paid trip to California.

She has been extremely active in 4-H Club work for several years and has held several offices in tht organization.

Sarah Lou will join twelve other first place district winners over Texas on August 4th at Amarillo and leave for San Francisco and Berkely on 5th of August. The trip will be by chartered bus, and sponsored by Producers Grain Corporation of Amarillo.

Other honors captured by the county 4-H clubs in the 1960 4-H Cooperative Result Demonstration Program and State Fair Award were first place on the Comanche 4-H Club Record Book and alternate for the "State Fair Honor Award".

The Comanche 4-H Club Record Book in the Cooperative Result Demonstration Program placed first in both county and district.

The county award will be $25.00 cash award by Texas Federation of Cooperatives and the district award will be an engraved placque from the American Institute of Cooperatives. Both awards will be made at the annual Comanche County 4-H Achievement Program in November. Leading the Comanche 4-H Club in the study of the four different types of businesses were Sarah Lou McCullough and Dicky Dickson, junior leaders and Mrs. Bill Parks, 4-H adult leader.

Nancy Richmon of the De Leon 4-H Club was named alternate for the "State Fair Honor Award" winner for the twenty county Extension District 8.

# SWIMMING POOL OPENS SATURDAY

The Comanche Swimming Pool, at Lake Eanes Park, will open for the 1960 season Saturday.

The pool, built some six years ago through a cooperative effort, and successfully managed by the City of Comanche since its opening, is one of the most modern, and popular pool of this area.

The Comanche pool will be open afternoons and nights daily throughout the summer. Admission prices will be 25c for children, 35c for adults.

Kenneth McNutt, Junior High School coach, is to be the lifeguard. The concession stand will again be managed by Mrs. Roy Nelson.

**Park Improvements**

Lake Eanes Park has undergone considerable improvements and has been thoroughly cleaned during the past few weeks. Improvements include an abundance of new attractive picnic tables and benches.

## "NOT FINISHED, JUST BEGUN"

"Not Finisher, Just Begun" applies to many things, but for a senior in high school it means the end of one education and the beginning of another.

On the completion of twelve years of school, a senior stands on the threshold of life. He may continue his education or he may obtain a job or get married. Scholastic learning is at an end for many. The beginning of learning by trial and error is really just begun. One is abruptly shoved out into the world without papa and mama and must learn that the fire is hot only by touching it. Learning by experience can be softened by reasoning, judgment and a good set of morals. For those going to college, their education has by no means stopped. It has actually just begun. And the pursuing of one's ambitions and goals has just begun.

—Janetta Weems.

—o—

"Not finished, just begun." These words have a very true meaning to the seniors of 1960. With out graduation, which is just around the corner, our lives are just beginning. They are by no means finished. For some of us, our school days are over; for others they are still ahead. Some will continue their education in college. Even for those who do not go to colege, their education is not finished. One must grow and continue to grow in knowledge throughout life, for those who don't are left hopelessly behind in our ever-changing world. We, the Seniors, take our first step toward life on our own when we graduate from high school. That first step may be frightening, but all the ones that follow will grow easier and less frightening.

—Judy Lloyd.

—o—

"Not finished, just begun," has a very special meaning for everyone, especially the graduating class of nineteen-hundred and sixty. In just a few days we will be graduating from Comanche High School. We must remember our motto and apply it to our lives. After the night of graduation, each of us will go his separate way. Many of us will go on to schools of higher learning, some will marry, and others will learn a trade in whatever profession they choose. Yes, we will be finished with high school, but our future will just be beginning for us. For many years our parents have protected and guided us through life. Now the time has come for us to face the future on our own. I wonder if we will have the courage and stamina to do something worthwhile with our lives. Our success in life will depend on us, not our parents. If we begin each day with a desire to challenge the world, surely each of us will be a success in life.

—Glenda Hanson.

—o—

As our high school days come to a close, we must stop to think. Our life is not finished; it has just begun. We have had twelve years of schooling to prepare us for the future. What we do with our future is up to us. We can either further our education in some college or university, get a job, or get married. The choice is ours.

All of our life we have been under the protection and guidance of our parents. Now we are adults, and assume the responsibilities of adults. Our life is not finished; it is just begun. It is a new life with many new and exciting events. It is up to us to make it one that we will be proud of, and one that other people will respect and admire.

—Betty Burton.

—o—

When we leave this high school, our education will not be finished, but just begun. This is true in more ways than one. Some of us will go on to college and continue to become educated. Either way we go at it, life will teach us many things we don't know right now. Our life is just beginning. We will be on our own after getting out of school, and we will have to make many decisions for ourselves. Life is full of difficulties and hardships. We will be able to solve some of these problems for ourselves, but on others we will probably have to seek advice. From everything we do in life, we will gain more knowledg. Some of this knowledge we will have to apply later in life.

—Joe Causey.

Our education is not finished, but has just begun. For some, this is all the formal education that they will have, but for most of us it is just beginning. Our further education will be a college or business school or another special school. For every one, life has just started. We have just begun on our long journey down life's road. We can make our life worthwhile, or we can just drift along with the tide. Most of us do not want to just drift. We want to separate from the rest. We want to make our life something important. Most of us want to be a success; so we must begin our journey to success. It will take hard work, determination, and help from God to become a success.

—Janie Woods.

—o—

The seniors of 1960 have "not finished, but just begun." The seniors have attended school for twelve years.

The first four years of school were to prepare us to get along with our classmates and teachers. Since it is almost impossible not to associate with other people, it was very important that our teachers do a good job. The next eight years were devoted to developing our minds. Some students were co-operative and some were not.

On graduation day, we are very proud. We have successfully finished twelve years of school. It is not the end for us, but the start of a new beginning. Our twelve years of learning are about to be put to the test. The eight hours we have spent at school every day may have seemed wasted at the time, but actually, we were preparing ourserves for a better future—a future that depends only on each of us.

—Marilynn Foreman.

## Odessaen Charter Member of Comanche Public Library

While recently visiting in Comanche, Mrs. George O. Fletcher of Odessa bought a charter membership in Comanche Public Library.

Mrs. Fletcher with much effort located the right place to buy the membership was a contribution as she will be unable to use the library.

### PENTICOSTAL MEETING HERE

There will be a Sectional Conference at the United Penticostal Church Saturday, May 28.

The conference begins at 10:00 a.m. with District Superintendent V. A. Guidroz of Baytown as guest speaker.

A full attendance is urged.

We're Mighty Proud

It is with a great deal of pride that we extend to you of this year's graduating class, our very best wishes and sincere congratulations. We've seen some excellent young people complete this part of their education here but we recall of no other group whom we thought had more possibilities than you.

Good luck, then, to each of you!

Pall bearers were Tom Jack, D. F. Caraway, Buster Robertson, C. A. (Buster) Rixford, Jim Bumpas, and Bruce Lane.

The music was in charge of Mrs. Lillian Hafford, organist and church choir.

Mrs. Cunningham was born in Clinton, Ky., March 12, 1887 being the daughter of the late Dr. Eugene and Ada Gunter Bradley. She moved with her parents to San Angelo when she was about a year old and a year later the family moved to Comanche where she spent the remainder of her life.

She was married to James C. Cunningham November 29, 1903 and they were the parents of two daughters, Mrs. Edgar Hull of Denton and Miss Catherine Cunningham of Comanche. Mr. Cunningham passed away about 2 years ago.

Mrs. Cunningham was converted early in life and joined the Baptist Church of Comanche at the time of her death.

Besides her daughters, Mrs. Cunningham is survived by a brother, Bradley of Joshua and one grandchild and one great grandfather.

# Spanish Club Has Successful Year

Bob Slider, Spanish Club president, says that this year has been a very successful and enjoyable year for the club.

The Spanish Club officers of 1959-'60 are as follows: President, Bob Slider; First Vice-President, Betty Burton; Second Vice-President, Deanna Durham; Secretary, Maida Auvenshine; Treasurer, Judy Conn; Reporter, Janice Isham; Historian, Sherian Muncy; Parliamentarian, Tucker Loudermilk; Sponsor, Mrs. J. E. Lightfoot.

The Initiation Party was held at Judy Allen's on September 21. Staying with the theme, the initiates were dressed in Spanish History costumes.

The Christmas party was held on December 21 at Mc's. To start the party off, everyone went Christmas caroling and carried through the club project to select a family in need and help the wishes of each member of the family to come true. The club also put up a Christmas tree in this family's home and sang Christmas carols to them.

The big event of the year for the Spanish Club was presenting the "Pageant of the Americas," April 11, in honor of Pan American Day on April 14.

Bob Slider introduced the pageant. John Gleaton gave a reading of the development of the Americas as it was pantomined on stage.

Several songs were sung.

The Spanish Club spring picnic was held May 13. It started with a hayride and ended at Newburg where everyone jumped off to eat his fill. Food was everywhere, but it was soon devoured by hungry Spanish Clubbers. Virginia Cobb and Deanna Durham presented the Seniors of the Club with a year's subscription to the Warrior.

The Seniors of the club are as follows: Judith Allen, Sue Butler, La Jane Davis, Betty Burton, Glenda Hanson, Tommy McDonald, Tucker Loudermilk, Bob Slider, Richard Terrell, and John Gleaton.

### 2nd Lt. FELTON BROOKS ATTENDS ARMY SCHOOL

# Library Club Has A Busy Year

Library Club officers for the 1959-'60 year were as follows: President, Kathy Arthur; Vice-President, Beverly Barret; Secretary, Barbara Hicks; Treasurer, Elane Lewis; Reporter, Sherian Muncy.

The Christmas party was one of the highlights of the year. Beverly Barret was program chairman, and the library was decorated in the traditional Christmas theme. Table arrangements were made by Mrs. Darrell Smith. Refreshments of Cokes, assorted dips, cookies, and chips were served during the program.

The Library Club sponsored a rummage sale and a talent show to raise money for the Teen Age Library Association Convention in Houston. The talen show featured local talent, including preschool children and students from the Marty Gore Dancing School. Weather conditions prevented the delegates from attending the convention.

Senior members of the Library Club were honored on April 26 with a party. Theme for the party was "This Is Your Life." Senior members of the club are Judith Allen, Betty Burton, La Jane Davis, Glenda Hanson, Elane Lewis, Judy Lloyd, Marilynn Foreman, Peggy Ellis, Janie Woods, Sue Harris, Nancy Davis, Paulette Morris, Mary Ann Durham, and Mary Payne.

Judith Allen received a pin for doing outstanding work in the library this year. The award was presented in assembly last Friday.

Officers for 1960-'61 are as follows: President, Kathy Arthur; 1st Vice-President, Evelyn Blackwell; 2nd Vice-President, Beverly Barret; Secretary, Karen Pattillo; Corresponding Secretary, Judith Roebrtson; Treasurer, Beverly Smith; Reporter, Sherian Muncy, Janice Fritts; Parliamentarian, Deanna Durham; Club Artist, George Ann Scott.

The Library Club wishes to express its deep appreciation to Miss Nobia Dunn, sponsor of the club. Without her never-ending efforts, many things would never have been accomplished. We are grateful for her unfailing support.

# CHS Joins State Wide Traveling Library

Comanche High School, along with 1,700 other schools will share in the new Traveling High School Science Library Program during the year 1960-61. This program began in the fall of 1955 with only 66 schools participating. This new plan proved to be so popular that it was extended to include many other schools.

"Evaluation studies of the high school library program in past years have demonstrated conclusively that the success of the program depends almost entirely upon the enthusiasm, initiative and resourcefulness of the principal and teachers," wrote H. J. Deason, Director of the Science Library Program, in a letter to J. E. Lightfoot telling about the new library. Miss Nobia Dunn, Comanche School Librarian, will assist in planning for the effective use of the traveling library next fall. She has been asked to consider ways taht the library can be utilized for supplementing class assignments, for reference, recreational reading, and special projects. The new library will be available by the opening of the next school year.

# CHS BAND HAS ACTIVE SUCCESSFUL YEAR

A few weeks before school began in September, over sixty band students began a long, tiring but fun-filled year of band. During these pre-school practices, band members learned new marching techniques for the football season. New music was learned, as well as new marching steps, and the first of many outstanding half-time stunts was beginning to take shape.

The first game of the season began the enjoyable trips out of town. On out of town games, band mmebers load the buses with pillows, make-up cases, blankets, raincoats, shoe polish, radios, pom-poms, cards, extra clothes, megaphones, safety pins, cough syrup, kleenex, and boxes of food. Yes, the loyal band member always remembers all of these necessary items, but occasionally they ofrget such minor things as suits or instruments, right 'Mur?'

Band members always try their best to know exactly where they are supposed to be while they are on the field at half-time, but every now and then someone forms a rank of their own, as Judy Robertson probably remembers.

The general "band bus food" is sandwiches, but on one occasion the Senior and Junior girls received word that Mr. King was especially hungry. Naturally they were hungry, too, so they proceeded to take "a little extra" food. Potato salad, fried chicken, olives, pickles, potato chips, fritos, cake, and cold-hot rolls were served on paper plates, and the meal was complete with tea, toothpicks, and tooth brushes!

In keeping with the tradition of the years, the Senirs were ridden into the field on motorcycles, and given hot chocolate and cookies throughout the game. Before the game started, Football Sweetheart Judith Allen, Homecoming Queen Nancy Davis, and Band Sweetheart Mary Payne, and FFA Sweetheart Nancy Caraway were presented.

The football season at last over, the band welcomed spring and the concert season. After many hours of practice the band went to Dublin's Band Festival, where they won a first place trophy in sight-reading, and a second place trophy in playing.

These trophies were placed proudly on the new piano in the Band Hall. This new piano is the pride of every band member, for it took a lot of ticket selling to pay for it.

Work bean in earnest in preparation for the spring concert. A short concert was given at J. B. Layne Elementary School in which each section of the band wa sfeatured. This concert was an introduction to band for the fourth and fifth graders, and gave them some idea of the different instruments that make up the band.

The formal spring concert was presented on Friday, April 29. This concert was one of the most enjoyable in many years.

As the end of school drew near, the band elected their officers for '60-'61. They are Otis Johnson, president; Phil Mercer, vice-president; Deanna Durham, secretary-treasurer. Class representatives were also elected, and are the following: Rita Taylor, Senior representative; Beverly Smith, Junior representative, and Hank Durham, Sophomore representative. Freshman representative will be elected at the beginning of the fall semester.

Gail Anthony will again be drum-major for the Indian Band, and Lewis Rambo and Sherrilan Loudermilk will serve as her assistants. "Out in front" of the band will be the Color Guard, consisting of Judy McCullough, Sgt.; Nancy Foreman, Nancy Caraway, Phyllis Swindle, and Judy Burks. Majorettes for the coming year will be Ronda Rauhut and Virginia Cobb, feature majorettes; Sharon Durham, Dina Baxter, and Johnny Coulter.

Although the band activities pause for a while immediately after school, the pause will be short lived. There will be music classes held throughout the summer for anyone who would like to take music, and preparation will soon begin for the Comanche Rodeo Parade, for which the '60-'61 Indian Band will march for the first time as a unit.

There are also plans made for a summer twirling school to be held at the Comanche City Park August 1-6. Miss Carolyn Porter, who is a feature twirler at Texas University, will be in charge. This school will be open to people of all ages. The fee will be $15 for the entire school, and the noon meal will be furnished each day. The school begins at 8:00 A.M. and will end each day at 5:00 P.M. This school will be a wonderful opportunity for anyone interested in twirling to learn the fundamentals or some different techniques. Anyone who is interested in this school should contact Mr. or Mrs. Jack King.

As any band member could tell you, band is one of the most enjoyable and fun-filled organizations in high school. But it is more than that—the band members have a bond that unites them that can only come from working together as a team, from having the same goal, and from uniting to reach the common goal. The band wants and needs your support. Support from the town-people through encouragement and attending band-sponsored functions, and support from students through encouragement, and joining the band.

# Swearengin, Gregory Get Cisco Jr. College Scholarships

Two CHS star athletics have signed letters of intend with Cisco Junior College.

Gary Gregory, 220 pound, three year letterman for the Indians has signed for a full football scholarship. Gregory made the all-District team at a tackle post last season.

Gary Don Swearengin signed for a full scholarship, participating in football and basketball. He may also go out for track. Gary Don was starting quarterback for the Indians for three years; an all-district basketbal performer; and qauilfied for the regional track meet in broad jump and ran a leg of the District record seting mile relay.

Both boys will receive room and board and tution.

Moon Mullin of Hardin Simmons University is head coachof Cisco Junior College. Cisco is a member of the Pioneer Junior College Conference and plays a 10 game schedule. They open the season at home vs. San Angelo Junior College.

### JUNIOR GARDEN CLUBBERS KEEPING BUSY THIS SPRING

The Juniors Garden Clu members under the direction of their sponsor, Mrs. Darrell Smith, have been active this spring.

The group have completed a number of projects—the latest two being making artifcial flowers for Dillins Children Home and planting flower around the Camp Fire House.

### CARD OF THANKS

With deepest gratitude, we acknowledge the many kindnesses bestowed on us in the recent loss of our beloved husband and father, Ro yT. Boswell. Certainly your expressions of sympathy and friendship for us and our loved one, is a source of heartfelt comfort. Our prayer is that God bless you all.—Mrs. Roy T. Boswell, Travis, and Herman Boswell and family. (1tp)

# Indian Maidens Win District Title

District champs is an appropriate title for the Maiden's basketball team. The Comanche Maidens under the supervision of Troy Norris, closed out the conference season with a near perfect record of 7-1 in 8AA play. Norris had this to say: "They made a lot of mistakes, but their desire to win proved stronger than the mistakes.

Coach Fred Curry, who coached the Maidens until his November accident, made a similar statement: "The girs lacked experience and so made many mistakes. The old desire made it possible for them to come out on top though." He made the statement that he considers these to be the best "bunch of girls" he has ever workwith.

The Maidens with their 7-1 record lost only to Hamilton in an overtime game. In the final district game against Dublin, the local fans presented Troy Norris with a Stetson hat to show their appreciation to him.

In the bi-district blayoff between Coleman and Comanche, Coleman wone 41-37 in overtime.

The Maidens lose only one player next season ,as all six of the starters return, and the top substitudes. These players along with some good girls coming up from the "B" team, it looks like the Maidens will be the team to beat for next years district title.

# CHS Science Department Keeping Abrest Of Time

In attempting to keep abreast of the times, the CHS Science Department is progressing and seeking to interest each student in its various subjects. The Science Lab, which was remodeled two years ago, is in excellent condition. The new tables, microscopes, and other equipment make experiments much safer and easier. Although still lacking in some supplies, many expensive materials are expected to be added through the years.

To Freshman or Sophomore students, General Science is offered. As its name implies, this is a course in which all the sciences are touched lightly. It gives the beginning science student an opportunity to learn broad science facts, and to discover what phase of science interests him most. This course is taught by J. L. King.

Biology is the study of the science of life, including a study of the development, structure, and behavior of living organisms. This science is taught to Sophomore and Junior students by Mr. Lee.

Physics or chemistry are taught by Troy Norris. These two subjects are taught on alternating years to Junior and Senior students.

Phkysics touches our world at many points — transportation, communication, the manufacture of hundreds of things we use, our sports and amusements. One must know its fundamentals, or he will be like a barbarian in a modern city. Those who study physics, because they wish to finds the key to a new world of motion, light, power, and beauty have a rich reward. Physics is the study of energy—the ability to do work, and the chnages it produces.

Chemistry is the study of all the materials of the universe and the changes in their composition or make-up. The benefits from research in chemistry are innumerous, and each scientist builds on the work of others—an endless advance.

Because science is becoming more and more a vital part of our lives, the study of science by high schools is necessary for our future development and happiness.

# Military Rites Held Recently For Blanket Soldier, Captain Cleghorn

Final rites for U. S. Army Captain L. V. Cleghorn, Jr. 27, son of Mr. and Mrs. L. V. Cleghorn, Sr. of Route 2, Blanket, were held Friday, May 6 at Fort Sam Houston in San Antonio.

Full military services were held May 3 at Custer Hill Chapel at Fort Riley, Kansas. Local services were held Thursday, May 5,in the First Baptist Church of Blanket with two former pastors, Rev. W. G. Self, Comanche, and Dr. D. D. Tidwell, Howard Payne College, officiating, assisted by Rev. Roy Hill of Meridian and Rev. Walter Liss of Blanket.

Sharp-Nabors Funeral Home of De Leon had charge of local arrangements. Burial was in the National Cemetery at Fort Sam Houston.

Capt. Cleghorn died April 30 of cerebral hemorrhage in the post hospital at Fort Riley, Kansas.

He was born June 4, 1932, in Gorman and lived in De Leon until moving to Blanket with his parents in 1946. He was graduated from Blanket High School in 1949 and Texas A&M College in 1953. He received many honors in high school and college.

Soon after his graduation for A&M, Capt. Cleghorn entered the Army at Fort Benning, Georgia. He served in the 82nd Airborne for two years. After entering the Regular Army in 1956, he was graduated from the Army School of Communications at Fort Benning, and assigned to First Battle Group, 13th Infantry. He went to Fort Carson, Colo. for training and then to Europe, where he served as communication officer and Classified Documents — Top Secret until 1959..

He returned to the U.S. and was stationed at Fort Riley as communication's officer until the time of his death.

While at Fort Riley, he received commendation for Army officials for his invention of an automatic wire collecting machine now in use by the Army.

A public address system perfected by Captain Cleghorn was used at his funeral services in Fort Riley.

Captain Cleghorn was married February 25, 1956, to Mrs. Juanita Smallwood of Augusta, Georgia at Fort Benning. He was a member of the Blanket First Baptist Church.

Survivors include, his parents, his wife and three children, Randa Keith and Lenord Vencient III.

PUBLICATION STAFFS AT WORK—Pictured are editors, reporters, and photographers in conference on staff work on the Comanche High School student publications, The Warrior and The Arrowhead. Publication sponsors are Mrs. James Chapman and Mrs. J. E. Lightfoot.

# Student Council Dedicates Honor Students Trophy Case

The Comanche Student Council brings to a close the school year of 1959-60 with the completion of its special project. This project is a large glass case to be placed in the halls of CHS. It will contain the names of the valedictorians and salutatorians of this year and of the coming years. The council has been working on this project for many months and is finally ready to present it to the school.

Throughout the school year, the Student Conucil has sponsored and participated in many activities. The council sponsored the Safety Slogan Contest held earlier in the year. The winners of this contest were Mary Ann Cloud, 1st place winner, James Johnson, 2nd place winner, and Ann Green, 3rd place winner. The council has also acted as host to the Lampasas High School Student Council, and returned the visit later in the year.

The Student Council attended the District Oil Belt Student Council meeting at Cisco Junior College in November At this meeting members of the Comanche council held a discussion which was heard by the councils of many high schools in this district.

The council has performed many important duties around the school. It holds the various elections, such as Homecoming Queen, class favorites, student body president, etc. The council also has charge of the Southern Assemblies and other assemblies throughout the school year.

The Comanche Student Council would like to pay special tribute to its sponsor, J. E. Lightfoot, and to its president, John Gleaton. Also the council would like to congratulate its newly elected president, Paul Ray McKinzie. Paul Ray was elected by the student body and will serve as president of the Student Council in the year, 1960-61.

## Dr. and Mrs. Greer To Have Window Dedicated To Them

Dr. and Mrs. Baxter Greer have been informed that an attractive Art Class window has been recently installed in the Highland Park Presbyterian Church, San Antonio, in recognition of their service in the Highland Park Church, where Dr. Greer was pastor for nineteen years.

Dr. Greer was elected as "Pastor Emeritus" of that church upon his resignation in 1947.

During his ministry there, the congregation increased in membership from 150 to more than 600; a manse was purchased; an education building was constructed; all debts onthe Church property was paid, and a favorable cash balance was in the Church Treasury.

Later Dr. and Mrs. Greer will visit the Highland Park Church, where a formal consecration and presentation of the window will be made.

## Mrs. McDaniel Passes Away

Mrs. Cora McDaniel, 89, whose home was at 409 N. Pearl, Comanche, passed away at a rest home in Early at 4:50 p.m. Tuesday, May 24.

Funeral rites for Mrs. McDaniel were held at 2:00 p.m. Thursday, May 26, in the Comanche Funeral Home Chapel, with Rev. Plez Todd, pastor of the First Methodist Church, Comanche, officiating.

Burial was in Zion Hill Cemetery.

Pallbearers were Carlos McGuire, Ollie Wilson, J. C. Biggs, Vasco Lee, Pat Cagle, and Ira Clemons.

Mrs. McDaniel, daughter of the late Lee Roy and Margaret Brewer, was born September 21, 1870 in Scottsboro, Alabama. She came to Texas with her parents when she was five years of age, and had lived in Comanche County the past 84 years. She was converted early in life and was a member of the Methodist Church, Comanche.

She was married January 19, 1893 to the late George Samuel Samuel McDanile, and to this union four children were born. Surviving are three sons, Ollie and Wylie McDaniel, both of Fort Worth, and Delmar McDaniel of Comanche; four grandchildren and four great-grandchildren.

### MORE ABOUT STAG CREEK TOUR

furnished flowers at the Stag Creek oCmmunity Center.

The tour even had an international flavor by the attendance of nine Pakistan students from Texas A&M College. The Pakistanians are just concluding a two-year training program here before returning to their native country where they will resume their work as village and county farm agents.

Among the special guests was Reagan Brown, Extension Rural Sociologist, Texas A&M College, who is in charge of the Texas Community Improvement Program.

Judges in the State-wide contest are experts from Texas A&M Extension Service. They are Mrs. Laura Russell, Specialist in Housing and Home Furnishing; George McBee, Pasture Specialist; and John Box, Assistant Agronomist.

Perhaps the most convincing feature of the tour, based on the old saying, "If you feed a man well, he will think highly of you," was the fine dinner served by the Stag Creek women. They had almost "acres" of pies, cakes, salads, and other deserts. And it was announced after everybody was through with the first helping, to come back and get more, for there was enough left over for a second, and even a third helping, if desired.

HALLOWEEN CARNIVAL QUEEN AND KING—Franklin Hall and Judy Scott, of the Sophomore class are shown with Kay Harelik, Rex Arthur and David Jones, as they reigned at the coronation ceremonies Saturday night, October 31, at Comanche High School auditorium. This was the second year in a row that the covted honor of crowning the Halloween Carnival queen went to this same class—as the Sophomores of '59 won the honor as Freshmen of '58.

## Sophomores Capture Carniual Honors

The Sophomore Class won its second consecutive victory at the annual Halloween Carnival Saturday night, October 31.

Queen Judy of the house of Scott, escorted by King Franklin of the house of Hall, was crowned queen of the Carnival by John Gleaton, student body president. John also presented her a spray of red roses.

The queen's court was introduced by John Gleaton, master of ceremonies. The court entered as Judith Rbertson played processional music. Dina Baxter, escorted by Rusty Durham, was the freshman princess. Her duchess was Sue Albin, escorted by Jim Jarratt. The queen's duchess was Kay Cartwright, escorted by Ronny Rush. The junior class was represented by Ronda Rauhut, princess, escorted by James Johnson. Sue Gore, duchess was escorted by Bill Meyers. Betty Burton, escorted by Joe Causey was the Senior class princess. Her duchess was Judith Allen, escorted by David Goodson.

The heroldists, Otis Johnson and Max Harelik, announced the approaching queen. Queen Judy's attendants were David Jones, crown-bearer; Kimberly Braziel and Varita Bean, flower girls; Kay Harelik and Rex Arthur, train bearers.

Following the processional the queen and her court were entertained by several members of the student body. Beverly Barret sang "Farolita" followed by "Las Mananitas" sung by Beverly and Janice Isham. Janice and Tommy McDonald then did the Mexican Hat Dance.

The coronation marked the end of the many hours of hard work in which the classes competed for top honors.

GLEATON

John Gleaton, Mary Ann Durham, Judy Allen, and Marlin Johnson took top places on the totem polls at the student body election on November 23. John was voted Most Popular Boy; Mary Ann, Most Popular Girl; Judy, Smile Girl; and Marlin, Friendliest Boy.

The runner-up spots were filled by Marlin Johnson, Most Popular; Judy Allen, Most Popular; Nancy Davis, Smile Girl; and John Gleaton, Friendliest Boy.

"Winning" is the word to describe John Gleaton, son of Mr. and Mrs. E. W. Gleaton. John is president of the student council, was president of his class two years, runner-up for class favorite his sophomore year, member of the National Honor Society, district president of the FTA and local FTA president his sophomore year, and a valuable member of the football, basketball, and track teams.

Mary Ann Durham is the daughter of Mr. and Mrs. Gilmore Durnam. She is class valedictorian, a member of the NHS, editor of the Arrowhead, a member of the Color Guard in the Indian Band, and secretary of her class her freshman year.

Judy Allen is that senior girl with the big smile which earned her the title of Smile Girl. She is the daughter of Mr. and Mrs. Gaston Boykin. Judy is a member of the Color Guard, NHS, was class favorite her freshman year, and was senior duchess at the Halloween Carnival.

Marlin Johnson, CHS Friendliest Boy, is the son of Mr. and Mrs. Aubrey Johnson. Marlin is vice-president of the senior class, was sophomore class favorite, and vice president of the Future Farmers.

Nancy Davis, runner-up for Smile Girl, is the daughter of Mr. and Mrs. Alton Davis. Nancy is a member of the NHS, FHA, Library Club, and a member of the Indian Band. She has been student council representative of her class for three years, and was chosen to represent her class in the Halloween Carnival race as queen candidate for two years.

## 9 Graduates At Priddy High

Nine seniors were presented diplomas at Priddy High School commencement exercises Thursday evening, May 20, in a student participation program, similar to the one held in Comanche.

Carolyn Irene Spinn, with an average of 94.55, was valedictorian, and N. L. Schrank, Jr., was salutatorian with an average of 86.07.

Other Priddy seniors receiving diplomas were Pearl Hohertz, Dorothy Kunkel, Jerry Schlee, Bobby Oxford, Clarence Greenlee, Derlin Marsh, and Louis Ivey.

## Senior Play Is Smash Hit

"Let Me Out Of Here", a hilarious three act play, was presented by the senior Class of 1960, on March 23, 24, and 25.

The announcer of the play, Glenda Hanson, introduced each of the characters.

Judith Allen and La Jane Davis gave superb portrayals of Eve Boyd and Bona Lynn, working girls, living in an apartment as roommates.

John Gleaton played the part of Garet Lynn, Bona's brother. He gave a splendid imitation of a spinster and would make a "darling girl".

Richard Terrell, as Victor Ward, shocked the audience when he appeared on the scene only partially dressed.

Marshal Ward, played by Burton Weems, seemed to have a difficult time keeping track of his trousers. He was convincing in his part of a businessman, and some commented that he resembled Jackie Gleason.

Hazel Miles and Stevie Cobb played by Janie Woods and Tucker Loudermilk delighted the audience with their comical protrayal of Negro housemaid and elevator boy. They were convinced that the apartment house was infested with ghosts and thieves.

Mary Payne played the part of Angelia Boyd, Eve Boyd's rich aunt.. She had Eve's husband picked out for her, but Eve had different ideas.

Tommy McDonald as Gifford Martin was outstanding in his part as a children's poet.

Mary Ann Durham, as Bessie Rhodes, won the approval of the audience with her excellent performance as a typical nosy landlady.

Nancy Davis, Betty Burton and Janetta Weems were prompters.

Stage managers were Dick Lane, Marlin Johnson and Wayland Evans. These are the personal who worked behind the scenes, yet had a great part in making the play a success.

The play cast, to express their appreciation for the faithfulness of their director, Miss Nobia Dunn, presented her with a gift at the

Roy D. (Danny) Mims, Jr., son of Dr. and Mrs. Roy D. Mims of Comanche, will receive his Bachelor of Science degree at Texas Wesleyan College's 69th Commencement, Sunday, May 22, in Fort Worth.

Mims, a 1957 graduate of Comanch eHigh School, will graduate with a major in science. He is a member of Scia Quatore, the science departmental club; the Sons of Sakkara Social Club, of which he has served as vice president; and has been a class officer.

# INFORMATIVE SPEECHES HIGHLIGHT CAREER DAY

"Your future is what you make it," stressed Dr. Lannes Hope of Baylor University. He opened the Third Annual Career Conference of February 5 with these words to the student body.

The Career Day was filled with informative speeches on careers in nineteen different fields. Each Junior and Senior attended three of the sections in which he was most interested. The section in each period attended by most students were psychology, period I; armed forces, period II; and teaching, period III.

In the psychology section, Dr. Hope's main point was that psychology can be applied in any vocational field that one might want to enter.

Master Sergeant Frankie Jones of Brownwood, in charge of the Armed Forces section, said that the new 6 months plan of service was fine for a high school graduate. Two films about new rockets were shown.

Dr. Sandy Wall of T. C. U. was the visiting counselor in the teaching section. He emphasized that one should not become a teacher if he does not love childen. He said that one should decide which age group he would prefer to teach.

Career Day is designed to help the students in deciding what they will do with their lives.

The schedule of the sections meeting is as follows:

Psychology: Dr. Lannes Hope of Baylor University.

Automobile Industry: Ewell Arthur.

Secretarial: Zeddie C. Edgar of Tarleton State College.

Bookeeping and Accounting: Autis McMahan.

Law Enforcement Judge Dwight Brightman.

Pharmacy: Ted Durham and Gyale Pirkle.

Engineering: D. E. Salmond from Wiedeman and Salmond Engineers of Waco, and Henry Huffman.

Armed Forces: M/Sgt. Frankie Jones of Brownwood.

Fine Arts: Alex Reever of Howard Payne College.

Homemaking: Mary E. Moore, Area Supervisor of Home Economics and Miss Mable Eubanks of Howard Payne College.

Nursing: Mrs. Kathleen Eads and Mrs. Thelma Gene Morrow of Blackwood-Mims Hospital.

Medicine: Dr. J. C. Terrell of Stephenville.

Law: Howell Cobb.

Teaching: Dr. Sandy Wall of T. C. U.

Journalism: Dr. Max Haddick of T. C. U.

Physical Education: Robert E. Wright.

Farming and Ranching: E. W. Walton of A&M and Loel Dean Cox.

Science: Dr. Clifford Mercer of T. C. U.

NOW LOOK WHAT CORVAIR'S GONE AND DONE!

The same Corvair that tallied a thumping 27.03 miles per gallon* in the Mobilgas Economy Run . . . went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We wanted to show you what the fabulous traction of Corvair's rear-engine design and the surefootedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car—even specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvair (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvair is totally unique. But you'll find that out the first five minutes you're at the wheel!

# Pettit Leads Tech Track Team In Meet

Jack Pettit, former Comanche High School Indian athletic star, and son of Mr. and Mrs. Cliff Pettit, scored 10 points in the Southwest Conference track and field meet held Saturday at Farrington Field, Fort Worth.

Pettit, captain of the Texas Tech team, led the Red Raiders to a fifth place finish—as the Baylor Bears won their first SW track crown in history, upsetting the Texas Longhorns, 70 points to 56.

The former Indian start was a busy man Saturday in gathering in his points. He finished a strong second in the 220 yard low hurdles—as Roy Cunningham, University of Texas sophomore, tied the Southwest Conference mark of 22.6. Cunningham bested Pettit to the tape by half a stride. Pettit finished third in the high hurdles and third in the broad jump.

He qualified for the finals in the 100 yard dash, with a time of 9.8, and ran a stretch on Tech's sprint relay team.

At the meet in Fort Worth Saturday from Comanche were Mr. and Mrs. Cliff Pettit, E. W. Gleaton, John Gleaton, J. C. Wilkerson, James Wilkerson, Jimmy Wilkerson, Tom Brightman, Harold Perkins, Johnny Lightfoot, and John Dudley.

# Sidney Scouts Are Awarded Merii Badges

Three Boy Scouts from Troop 73, of Sidney, received merit badges at a Court of Honor held at the Sidney High School auditorium last week.

C. H. George, Troop 73 Scoutmaster, presented the badges to Gene Cagle, Clarence George, Jr., and Ken Rachels.

After the Court of Honor, the Sidney Parent-Teacher Assn., sponsor of the Sidney troop, held a program. Music was furnished Jimmy Blanton, Dale Steele, Jerry Scott, B. J. Pyburn, Mac Pyburn, and Norman Chandler.

A pie auction was also held with proceeds going to defer Scout expenses. Coach J. W. Massengale was in charge of the auction.

# CHS Picks Majorettes, Twirlers, Color Guards and Cheer Leaders For 1960-61

Majorettes, twirlers, color guards and cheer leaders were named at Comanche High School last week.

Gail Anthony, last year's head majorette was renamed to that post again this year. Louis (Pug) Rambo and Sharon Loudermilk were named assistant majorettes Twirlers chosen were Virgina Kay Cobb, Rhonda Rauhut, Sharon Durham, Dina Baxter and Johnnie Ruth Coulter.

Former 3pP ontorbssgua

Barbara Davis, former head CHS majorette, and head twirler at Howard Payne College and Ed Cain, HPC band director judged the majorettes and twirlers.

Judy Kay McCullough was picked as sergeant of the color guard. Others in the color guard are Nancy Caraway, Nancy Foreman, Phylis Swindle and Judy Burk.

Mary Ann Durham and Judith Allen, graduating members of the guard, selected the color guard.

Jean Mims, Deanna Durham, Ruth Robertson, Marsha Wilkerson and Martha Hamrick were named as cheer leaders for 1960-61.

These girls were chosen by popular vote of the 1960-61 CHS student body after try-outs.

# Library Lines

The problem of seating users of the Comanche Public Library was solved last week by the Comanche Camp Fire Girls. They own around 50 folding chairs which they offered to share with the library.

Cleve Callaway solved the problem of the need for a reading table by donating one, and Assistant Fire Chief John Carpenter came to Mrs. Baxter's rescue again by refininshing it. Mrs. Baxter says she does still need another table or desk.

Duane Prater finished the metal frame for the awning and it is now installed. Oree Edmondson volunteered to make the striped awning for it, and it will soon be installed over the children's reading section of the library.

After processing most of the books the ladies found a shortage of reading material for juveniles. They sent out an S.O.S. to Austin, and the State has promised to immediately ship them another group of childrens books o nloan.

Bill Clemons and Clemons Motor Company volunteered to make an all-weather out-door sign for the library.

If you have any time, books, furniture, or other ideas, please contact the library committee and join the long list of good citizens who are making this library possible for you and me.

The Chaplain in the House of Representatives is elected by the members.

Roll call in the House of Representatives takes about 25 minutes.

# Mr. and Mrs. Curry Honored With Shower

Mr. and Mrs. Billy Fred Curry were honored with a shower Saturday night, May 14th at the Fairview Club House. Co-hostesses were Mesdames Charlie Hendrix, Chester Johnston, Tom Mazurek, Walter Mazurek, and Bob Wilson.

The hostesses alternated in registering the guests in the bride's book. Approximately 75 guests registered.

The club house was attractively decorated in the bride's chosen color of white with a touch of pink.

Sandwiches, punch, cake, and mints were served to the guests, who then viewed the display of wedding gifts. A table with a white lace cloth over pink displayed the gifts of china and crystal.

Mr. and Mrs. Curry were married April 9th and are now at home at College Station, where the groom is a junior in A&M College.

# Earl C. Lammons Completes Training

FORT LEONARD WOOD, Mo. (ahtnc)—Army Recruit Earl C. Lammons, son of Mrs. Mattie B. Moore, Comanche, completed the food service course May 5 at Fort Leonard Wood, Mo.

Lammons received training in cooking, baking, meat cutting and preparing a field kitchen.

The 20-year-old soldier completed basic combat training at Fort Riley, Kan.

He is a 1959 graduate of Comanche High School.

**NEW TEACHERS**—Ten teachers in the Comanche School System are winding up their first year of work. Joining the system last fall were four coaches; Robert Lee, James Moffatt, and Ray Smith, on the high school staff, and Kenneth McNutt, Junior High. Others in high school are Mrs. James Chapman, English teachers and publications sponsor; Troy Norris, driver education and chemistry, and Mrs. L. O. Newton, homemaking. New teachers in Junior High are L. O. Newton and Coach McNutt. New teachers in J. B. Layne Elementary School are Mrs. Daun Williams and Mrs Mabel Boyd.

## Ten Members Rounding Out First Year on Local Faculty

Several new teachers were added to the Comanche Schools for this year, 1959-60. Included were six class-room teachers and a counselor in high school. J. B. Layne Elementary and Junior High each received two teachers. Roy Nowlin who lives in Brownwood, is the guidance counselor who was added as a result of increased attendance of county high school students.

Mrs. J. W. Chapman, from Tolar, teaches English II, IV, and is the Warrior sponsor. Mrs. Chapman's husband is a commercial teacher and basketball coach at Sidney. The Chapmans have one daughter; they live near Beattie.

Mr. and Mrs. L. O. Newton were from Godley. Mr. Newton teaches social studies at Junior High and Mrs. Newton teaches homemaking. They have three sons, and live at 109 Williams Drive, Comanche.

Robert E. Lee, head football coach and biology teacher, comes from Amarillo. The Lees have one child; they reside at 204 Williams Drive, Comanche.

Assistant Coach Ray Smith comes from Sherman, and teaches world history. The Smiths have two boys; they live on W. Wright, Comanche.

## Teenagers Need More Recreation Facilities Here

By Charles Miller

What are the causes of vandalism that has taken place in Comanche over the past three or four months? Several causes for these actions can be found in many places: home, school, church the community in general, and in the youths themselves.

Teenagers in Comanche have nothing to do at night. Teenagers can play the pinball machine or go to the movie. There is no place in Comanche for teeenagers to let go and let off steam.

Many adults don't realize that teenagers have problems and worries the same as adults. This tension and pressure has to be released by some form of physical exercise. This exercise can be in the form of a sport, such as bowling or tennis, or as vandalism such as breaking windows out of the schoolhouse.

A new curfew law has been passed by the ciity council. Strict enforcement of this curfew law may cut down on this vandalism, but it will not eliminate this problem entirely.

Two other forms of recreation now available to Comanche High Students are the tennis courts and participation in the newly formed bowling league. The tennis courts are no good after dark and the bowling league does not include every student.

A bowling alley or a youth club with several forms of indoor recreation such as ping pong, badminton, a few pool table would help.

The Civic groups of Comanche could combine and sponsor this youth club jointly. Maybe this club would not solve completely the juvenile delinquency problem of Comanche, but it would help a great deal by keeping teenagers off the street at night.

## 3 Comanche Countians Receive Degrees From NTS

DENTON, May 16.—One Comanche senior and three from De Leon are among 558 who have applied for bachelor's degrees at North Texas State College this semester.

Baccalaureate services will be held at 11 a.m. May 29 with the Rev. Granville Walker of Fort Worth's University Christian Church as speaker. Commencement exercises are scheduled for 8 p.m. May 31.

These candidates and their degrees are:

Alma Jeannine Gleaton, daughter of Mr. and Mrs. Eugene W. Gleaton, Comanche, bachelor of arts in speech therapy.

Mary Williams, daughter of Mr. and Mrs. Pete A. Williams, De Leon, bachelor of science in education.

Wallace D. Cook, son of S. D. Cook, Route 2, De Leon, bachelor of business administration.

Avery Melvin Reynolds Jr., son of Dr. and Mrs. Avery M. Reynolds, 500 Reynosa, De Leon, bachelor of business administration.

In 1800, the U. S. Government had a total of 131 employees.

## Foreman Wins DAR Title, Betty Crocker Award

Marilynn Foreman was chosen Comanche's nominee for the DAR Girl Award for 1959-'60.

Marilynn Foreman

Each year the Daughters of the American Revolution give this award on the basis of dependability, patriotism, and scholastic standing. The three nominees selected by the Senior Class were Judy Lloyd, Betty Burton, and Marilynn Foreman. The final decision was made by the faculty of high school.

Marilynn has been a busy little bee around CHS this year. She was active in the FHA Club where she served as treasurer last year. In addition to the other duties, she was editor of the Warrior.

Marilynn was also named the winner of the Betty Crocker Award. She received the highest score on a 50 minute written examination on Homemaking Knowledge and attitudes taken by graduating senior girls. Marilynn received a pin representing the slogan "Home is Where the Heart Is."

Moving the U. S. Government from Philadelphia to Washington cost $15,293.

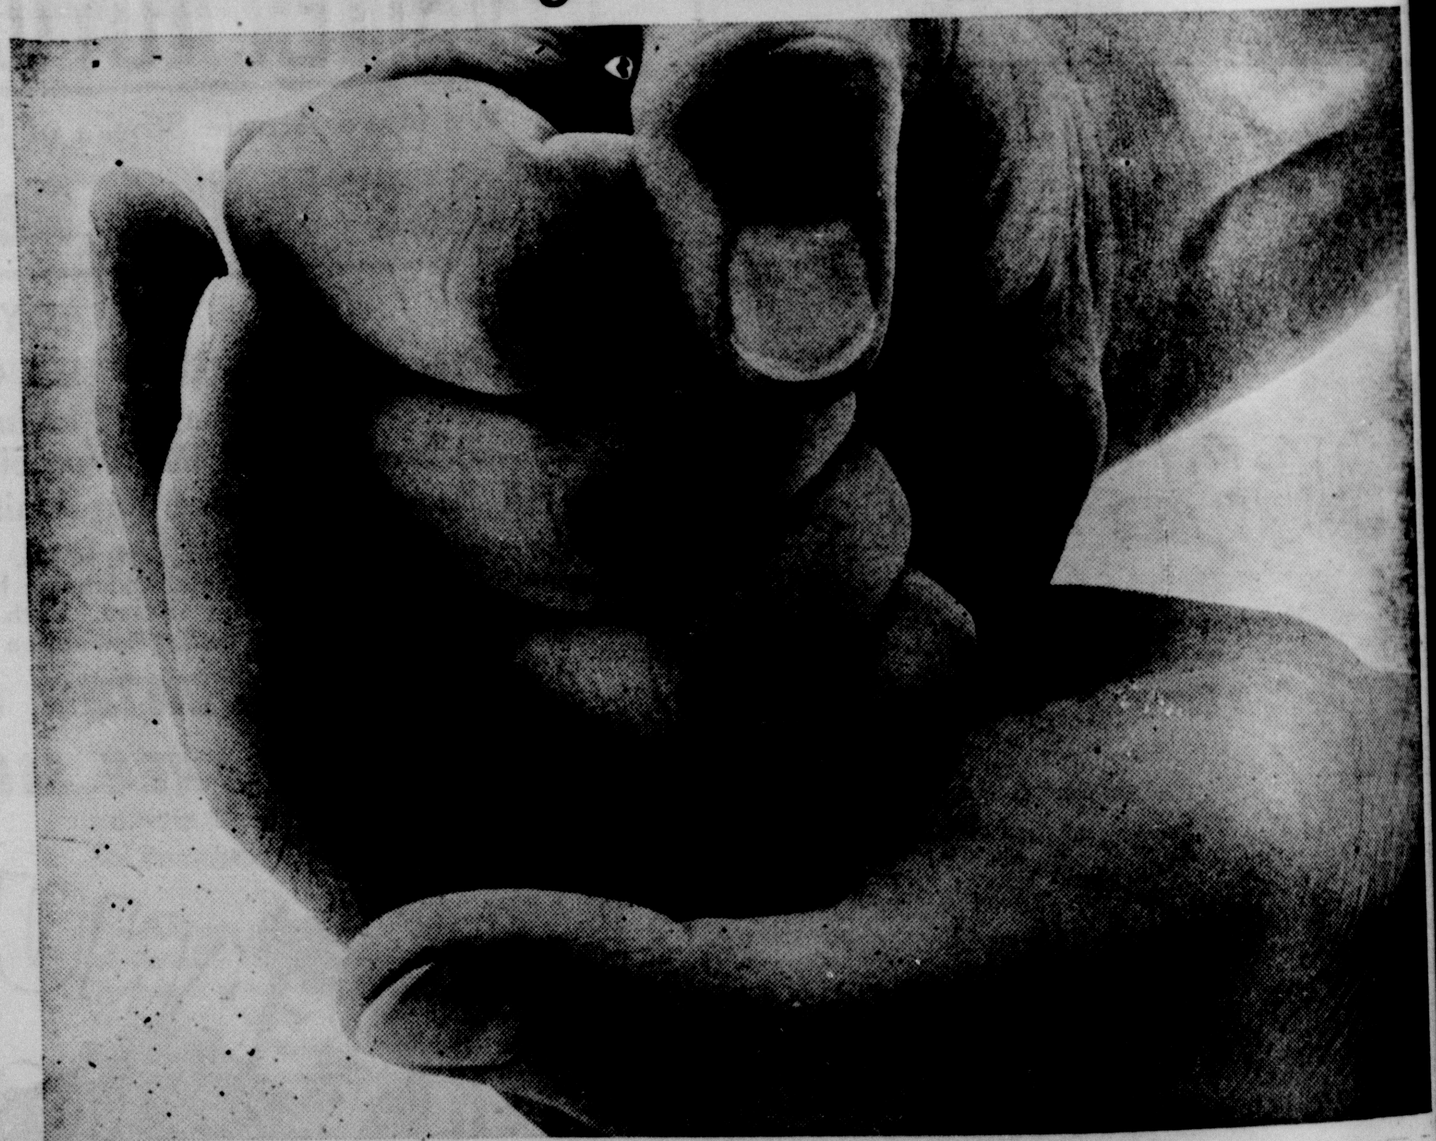
Mercury's the better low-price car and you can prove it!



ADD UP MERCURY'S EXTRA VALUES: Just stop in at our showroom and see the proof firsthand. Open the front door of a Mercury—it's up to 5 inches wider than other low-price cars so you can get in and out that much easier. Slide into the front seat. Notice how the instrument panel has been moved far forward. What other car gives you this feeling of spaciousness? Now accept our invitation to go on a private demonstration. Notice the steady, silent smoothness of the ride. That's because Mercury has a 7-to-8-inch longer wheelbase than other low-price cars—is up to 494 pounds heavier, and has far more sound-proofing all-weather insulation.

Try the brakes. They're up to 26% larger in a Mercury. Notice the view. Mercury's windshield and windows give you up to 21% greater visibility than other low-price cars. Now, for the best news of all, just keep on reading . . .

COMPARE MERCURY'S LOW PRICES: prices start $63 to $66* below even the lowest-priced V-8 powered Plymouth Fury or Chevrolet Impala!

And we're not talking about a "stripped" Mercury. This price comparison is based on a de luxe-appointed Mercury Monterey with luxurious nylon interior and thick wall-to-wall carpeting. So why settle for less? Get all your money can buy with Mercury—the *better* low-price car.

# Warrior Staff Pays Tribute To Mrs. Chapman

Members of the Warrior staff wish to say a huge "Thank You" to Mrs. James Chapman, sponsor of the Warrior.

Although this has been Mrs. Chapman's first year to teach, she has shown her willingness to co-operate and to help. Beside her duties as Warrior sponsor, which keeps her busily hopping from the staff room to Bonsor Printing Shop, Mrs. Chapman teaches journalism, two English II classes and one English IV class.

We thank you, Mrs. Chapman for patiently bearing the headaches which we have given you and for helping us to rush, rush, meeting deadlines.

Mrs. Chapman's husband, James, teaches commercial subjects and is basketball coach at Sidney. They have a daughter, Joyce, 19 months old.

Our hats are off to you, Mrs. Chapman!

# Public School Week Attracts 750 Visitors

Approximately 750 parents and friends visited the Comanche school system during the open house on March 8. The open house was held in celebration of Public School Week. Refreshments were served to the guests in the homemaking cottage.

Many exhibits of students work were on display in the high school rooms. Miss Jewel Werner displayed poetry booklets in her English room. The staff room had displays of newspaper make-up. Around 450 people visited high school.

In Junior High, each room had several exhibits on display. L. O. Newton had patriotic booklets displayed in his room. Math problems in colored chalk were exhibited in Mrs. Dovia Froh's room. Mrs. Gary Williams had several book report booklets on display. There were 170 visitors who attended open house at Junior High.

J. B. Layne Elementary had numerous articles on display. Among them were Texas and South American booklets in Mrs. Joh nJolink's fourth grade room. Around 120 visitors attended J. B. Loyne Elementary open house and observed the different exhibits.

Open house gives the teachers and the students' parents a chance to get to know each other.

Mrs. Batholemew from Brownwood furnished background organ music throughout the meal.

Following the meal, Albert Brannan, master of ceremonies, introduced the coaches' wives and thanked the organizations that wer responsible for the banquet. These were the Lions Club, Indian Club, Garden Club, Chamber of Commerce, and the Jaycees. He also acknowledged Mrs. Walter Durham, president of the Garden Club, who was responsible for the table decorations. Carrying out the school colors of black and gold, she had placed along the center of the tables school banners, large cardboard cheerleaders' megaphones, peanut men and then smaller replicas of the peanut men were placed at each place setting.

Coach Robert E. Le recognized the A and B football squads, basketball, and track boys; Coach Troy Norris introduced the A and B basketball girls. The Junior High boy and girl athletes were recognized by their coaches, Kenneth McNutt and Bernice Swindle.

Mr. Brannan gave a short word of introduction to Ben D. Sudderth who in turn introduced the guest speaker for the evening. Mr. Sudderth elaborated on the qualifications of the guest speaker, Maurice Doke, a Rhodes scholar who lacks one year of study before graduating from the University of Texas. He intends to further his studies by attending Harvard University for two years. Education was the subject he discussed in his address.

By Gustine FHA Reporter

Janice Kee, president, Mary Henson, vice-president, two applicants for FHA State Degrees, Nancy Page and Jeanette Lancaster, accompanied by their sponsor, Mrs. Eastland, all of Gustine High School, attended the State FHA Meeting in Austin, April 29 and 30.

Over 3,000 State FHA members gathered for the first general session on Friday morning, the theme of which was "FHA Patterns for Progress". Margaret King, State FHA President, presided. Helen Poe, lecturer and world traveler, gave the principal address, comparing life, customs and American heritage with that of Russia. She stressed the importance of ligious practices of the various

High points of the Friday afternoon program were a style show by Austin homemaking students and the attainiing of State FHA Degrees by approximately 400 girls.

"Getting to Know You" was the theme of the Friday evening program. Exchange students gave numbers depicting customs, songs, dances and recreational and religious practices of t hvearious countries.

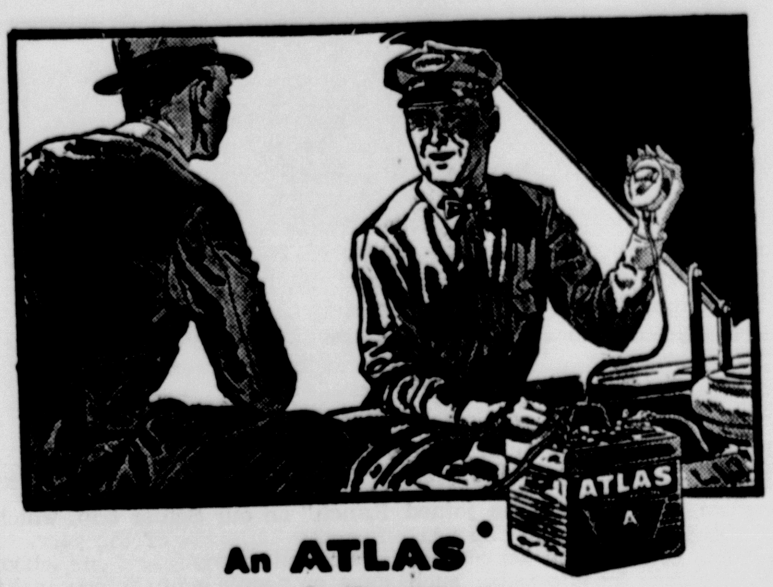
The Saturday business session closed a wonderful State Meeting of the Texas Association, Future Homemakers of America.

# Special Education Is An Importannt Part Of School

The Special Education Department of Comanche's school system is very important o he welfare of our handicapped sudents. This department does more and receives less credit than any other part of our school system.

The Department of Special Education is onder the capable direction of Miss Lee McGlothlin and Mrs. W. L. Morris. Because of their love for children, Miss McGlothlin and Mrs. Morris have proven to be excellent teachers in this field of education. They teach their students to develop their maximum abilities in spite of their handicaps. This field of education is a very worthy one and is rewarding work, both for the teachers, the students, and for the parents of these students.

In talking with Miss McGlothlin and Mrs. Morris, they expressed their deep appreciation for the fine facilities they have now and for the ones that are being added in their department.



Hi, Seniors

May happiness and success be yours

# De Leon Mayor Defends Parking Meters; Cites City's Needs For Extra Revenue

**Following is an article by W. B. Nowlin, De Leon Mayor, as it appeared in last week's issue of The De Leon Free Press.)**

I think it is time for the people to be brought up-to-date on the city's financial standing. The last action of your previous city council on April 4 was to borrow $20,000. This was necessary to finish paying the contractor and other obligations on our hospital. As of this date we owe $87,000.00 bonded indebtedness and it is going to be necessary to borrow money to help pay the city's operating expense until tax paying time again.

The question has been asked me many time, "Why is the city in such bad financial circumstances and when did it get that way?" In my opinion your past city council refused to accept their responsibility to make the important decisions in the council meetings. Instead they called numerous mass meetings, and finally submitted the proposition of keeping the hospital open to the people for a vote. The vote was 336 to 12, a substantial "Yes". As of today it has cost $23,246.93 to keep the hospital open. My contention is that it is the council's responsibility to make these decisions, since they are the only ones who have the facts. If there were some way for the public to be well-informed, it would be different.

In the last two years your taxes were raised 50c on the $100 valuation, bringing our present tax rate to $2.40. An extra 50c was tacked on each water meter. This brought in about $11,000 in added revenue. All of this plus the normal income plus $20,000 was spent and today the city is financially "busted."

At a recent council meeting we signed a contract for parking meters (about 200) to be installed. This installation does not cost anything. The city gets all of the revenue for the first three months, beginning June 1. Then we pay 50% of the revenue to the meter company until the meters are paid for. The income from these meters is expected to be about $10,000 a year. This is revenue that the city can use in any way the council sees fit. We feel that the public had rather collect this money through parking meters than to have their tax rendition doubled. How do you feel?

Last Saturday a petition was circulating requesting the city council to rescind the parking meter action. This petition will be ignored, as will all other petitions as long as I am your mayor. In fact, it was circulated by at least three people who did not support me for mayor in the first place. Certainly, I know parking meters are controversial. So am I. But 328 people said they wanted me to help get De Leon out of this mess; so I do not intend to back up now.

I also understand that two business concerns threatened Commissioner Charles Morgan with boycott. In my opinion, Charles Morgan is one of the finest Christian gentlemen in De Leon, and most of you know he is the distributor for Vandervoort's products. If you appreciate Charles as much as I do, you will demand his product. That is the best way to say "Thank you" in the face of economic reprisal.

I have three real fine councilmen to work with, and Iam wondering how much longer people will be able to expect the services of fine Christian men on a "thank you" basis to look after the affairs of your school and city. It is pretty discouraging when you do your best and then have a bunc hof busybodies nagging at you.

Yours for a safer, cleaner city.

(s) W. B. Nowlin.

# '60 Class History

In September, 1948, 24 eager youngsters began their school years in West Ward. These 24 students were: Don Sims, Elane Lewis, Mary Ann Durham, Wayland Evans, La Jane Davis, Harlin Keating, Mary Payne, Judith Allen, Arthur Morris, Marlin Johnson, John Gleaton, John McEwin, Bob Slider, Pat Riordan, Bonnie Richards, Gary Swearengin, Joe Causey, David Goodson, Louise Helm, Judy Lloyd, Eldena Burks, Marilynn Foreman. This was the year we played army, remember, Judy?

The first grade passed quickly but we had made friends that would last through the coming years.

Betty Burton, Peggy Ellis, and Theron Rush joined our class in the second grade. This was the last year of the "May Fete", and we proudly performed the "Lillie Marlene".

In the third grade we were joined by Richard Lane and Paulette Morris. During this year we became baseball enthusiasts, and the boys who hit home runs were the "heroes for a day".

Gary Gregory, Sue Harris and Jannie Woods became a part of our class in the fourth grade. This was the first time our class had not all been in the same building. At Ward School we learned square dances and played "kick the can" while at Grammar School the favorite past time was "jacks".

Our class was enlarged in the fifth grade by Glenda Hanson and Joyce Nichols. Our class was again united when the "West Warders" moved to Grammar Schools.

Sue Butler and Doris Fields entered our class in the sixth grade. We spent many happy hours making plaster of paris figurines. Jacks again became popular, and both boys and girls joined in the fun.

The seventh grade was the first year that no one joined our class. The girls joined the boys in games of marbles, which occupied almost every play period. We had our first taste of hard arithmetic that year, but through the guidance of Mr. Dale Biggs, everyone managed to pass.

Richard Terrell entered school in the eighth grade, the year that we were the "big shots". Motorscooters became the fad during this year, as did "first dates". We had parties regularly, and spent many happy time together. We also had studies through out the year, such as geography, science and first aid.

At last we had reached high school! after the first few hectic weeks of initiation, we settled down to learn the ways of high school. John Gleaton was elected class president, and Betty Burton and Ronald Fisher were class favorites. This was the year everyone got their drivers' license with John Gleaton and Glenda Hanson leading the way. Our class went to Cisco for our spring picnic, but unfortunatily we were chased home by a tornado.

Our Sophomore year Burton and Janetta Weems and Nancy Davis joined our class. John Gleaton was our president and Judith Allen and Marlin Johnson were our class favorites. The Sophomores joined the other other class in the "Arrowhead" contest, and we covered the country loooking in such places as the Narrows and Round Mountain. Fox hunting became popular this year, and we became pretty good "hunters".

Our Junior year proved to be the busiest of our high school days. As Juniors it was our responsibility to plan the Jr. and Sr. Banquet for the Seniors. We spent many tiring hours making decoratons to fit the "Hawaiian" theme of the Banquet and for graduation. Dick Lane was our class president and Betty Burton and Tommy McDonald were class favorites.

At last the day had come. We were Seniors! We had linally reached the big year. Ronald Fisher was president of the "Class of '60", while John Gleaton was president of the Student Body. Janie Woods and Ronald Fisher received the honors as class favorites The Juniors honored us with the "Sayonara" banquet, which was one of the prettiest in many years. We spent 3 enjoyable days at "Mo-Ranch" on our Senior trip, which was the highlight of the year.

We shall never forget our school days or people who helped make them unforgetable. We have received much valuable guidance from the teachers and administrators of CHS which will go with us throughout the coming years.

DISTRICT WINNERS—Comanche produced 9 district championship winners in the Interscholastic League Meet at Stephenville—five of whom are pictured above. They are Beverly Smith, upper left, first in poetry reading; Paul Ray McKinzie, first in extemporaneous speaking; and Ann Green, first in declamation. Bottom row, Bob Slider, first in poetry reading, and James Johnson, who teamed with Jackson Bowers to win the debate. Not pictured are John Gleaton and Rusty Durham, who won firsts in declamation; Mary Payne, second place winner in ready writing; and Bowers, debate.

# CHS Will Miss Seniors On Football Team

The Comanche Indians 1959-60 gridiron season has come to a close. For most of the Indian squad it has meant the end of another season of thrills, disappointments, and hard work, but to seven senior boys it means this and much more. For them there is no "next year" for high school football. All they have now is a jam-packed memory of their football experiences and a better realization that a game of football is similar to the game of life—you are always victorious if the game is played fairly and if you igve "your best." The spirit and ability of John Gleaton, Gary Swearengin, Bob Slider, Dick Lane, Tucker Loudermilk, Gary Gregory, Tommy McDonald, along with trainers David Goodson and Wayland Evans, will be missed next year when the season reopens.

John Gleaton, hard hitting fullback, will long be remembered for a yard gainer.

Gary Don Swearengin distinguished himself by his outstanding work as quarterback.

Dick Lane was always around to open a hole for one of the Indian backs as an immovable guard for the team.

Bob Slider and Gary Gregory were two indispensible tackles for the Indians. They proved to be invaluable to the CHS line.

Tucker Loudermilk, who cooperated with the team as an Indian center; and Tommy McDonald, who showed the true Indian spirit as a fullback, will be leaving their places for others to fill.

Please accept our best wishes for your continued success. We trust you will always remember your school days in this community, that it will be an important part of your lives.

And in years to come, as you look back on this glorious occasion, may you remember us as your friends. Good luck!

At this time of the year when public schools are closing for the summer vacation and plans are being made for next session, the thoughts of many people, both young and old, turn towards the schools and their problems and progress.

• •

We are indebted to Mr. and Mrs. Castle Ellis, Comanche, for the following very interesting and thought-provoking article, which we eblieve all of our readers who are interested in education, will enjoy reading.

• •

The theme of the article is "Why Economics Should Be Taught In Our Public Schools, Even In The Elementary Grades."

• •

The Article of the Month, appearing in the May issue of "The Instructor", one of the leading teachers' magaines of the nation, was written by M. K. Hage, Jr., and Virginia Ellis.

• •

Mr. Hage is principal, and Mrs. Ellis is a fifth grade teacher in Matthews Elementary School, Austin. Furthermore, Virginia Ellis is the wife of Glen Ellis, son of Mr. and Mrs. Castle Ellis.

• •

Glen Ellis, a Comanche High School graduate, and an honor graduate of the University of Texas, is now working towards a Ph.D degree at The University.

• •

The title of the article as carried in the magaine is "Basic Economics, Elementary Style."

• •

How can economics understanding be taught to young children? The answer is clear. Children achieve understanding largely in response to the understanding of their teachers.

—o—

**Basic Economics, Elementary Style**

In the current controversy over the idea of teaching "economics" in the public schools, much of the very meaning of the word and its relevancy to everyday life are lost. We teach geography to introduce pupils to their physical environment and the environments of other peoples throughout the world. The study of science gives further understanding of the natural world in which we all live. Is there any plausible reason for barring a study of our economic environment?

• •

Plenty of implausible reasons are offered—a new one every day. A vague feeing permeates some sections of public opinion that economics is akin to socialism or government control, that it is insidiously damaging to American principles. This idea is not only quite untrue, it is in fact dangerous For basic economics is primarily the study of our day-to-day affairs—particularly how we earn our money (and perhaps why we don't earn enough), how we spend it (and why it never seems to buy quite enough), and how all of us are affected by the making and use of goods and the circulation of money.

• •

There are several reasons why current interest in economic education is running so strong. And as in most public controversies, some strongly divergent groups are finding themselves on the same side.

• •

First, the nation is engaged as never before in economic competition with other countries. What does it mean when an American company builds a steel plant in Australia, for instance? Only a people with some understanding of economics can effectively evaluate the necessity to invest in foreign countries — from the standpoints both of developing new markets for finished goods and of supplying raw materials for American manufacturing. And even this is only part of the story.

• •

Second, many persons are expressing alarm over rapid changes in our economy. They believe that change is inevitably for the worse, but this is not necessarily the case. The irrational reaction to change is the desire to "preserve our way of life" by opposing change of any kind. The rational reaction, on the other hand, is the idea of preserving the best of our way of life by constantly subjecting it to discriminating evaluation. The basic economic principles of our nation are worth keeping, of course, but social change constantly modifies their applications.

• •

Third, paradoxically, some are interested in teaching economics in order to encourage more rapid change. These people feel that economic education will point out weaknesses in the fabric of our national life and will help mend them quickly. But indiscriminate change is as bad as stagnancy, and, for good or bad, it is often irreversible.

• •

Regardless of our positions, the drive is on to teach our oncoming generation ho wto compete in this world, and preserve and improve the institutions and ideas that are worth keeping. This is a large order. When operations were simpler, it might have been easy to teach economics, even to children. In a world of barter, slavery, and total conquest, physical ownership was nearly every point of the economic law. But times have changed. Today the subtlety, the incomprehensible complexity, of our economy goes beyond awing the pupil; it awes his teacher. How can economic understanding be taught?

• •

The answer is clear, even if the way to it is not easy. Children achieve understanding largely in response to the understanding of their teachers. Thus, it is necessary that teachers achieve at least a fundamental grasp of our economic life. This stipulation is not to be taken lightly. A course or two in elementary college economics is a good beginning, but the teacher who hopes to imbue her discussions with solid economic significance must know more than a few generalities and catch phrases. She must be able to interpret present-day life in meaningful economic terms. She cannot honestly describe every farmer as a merry little fellow working hard to raise pigs, chickens, children, and the standard of living. She will even mention that our nation produces an excess of certain farm commodities. Then the pupils will ask why, and she must be prepared to tell them some of the reasons.

• •

Too much of what little economics is taught in our public schools attempts to present our national life as a never ending wedding of sweetness and light. Fact becomes confection in this Pollyannalysis brand of teaching. Small wonder that pupils see no connection between the material they study and the life that goes on about them.

• •

The continuing emphasis on conservation in many of our geography and other social science courses is bound to seem irrevelant to pupils. How can it be essential to conserve iron resources? Don't new-model cars appear every year, making many older ones obsolete? Aren't many of our consumer products consciously planned for a limited lifetime of usability? And don't television and press urge us, directly or indirectly, to use up as many things as possible as rapidly as we can? Unfortunately the teacher preaching conservation finds herself painting an unattractively drab picture. The teacher who is knowledgeable in economics, howeevr, can do better by her pupils. She can point out that many products now are in more amply supply than ever before, that the Southern states are adding constantly to our timber resources, that oil and gas

# unior Senior Banquet A ocial Highlight of Year

April 30, 1960, the annual -Senior Banquet was held Flamingo Room of Mc's ria. The theme for this was "Sayonara". The out- was beautifull decorated flowers and a flagstone Each guest was served a of punch from a red net that was covered with Jap- umbrellas.

interior was decorated scrolls, large colorful fans flowers. Crepe paper stream- ing from the ceiling along colorful Japanese lanterns. table was decorated with miniature parasols, candles, he ever popular chopsticks. menu consisted of chicken mein, potatoes, green beans, rolls, orange sherbet, and ea.

the dinner, the Seniors were entertained with the following program. "Soo Happee", a welcome, was given by James Johnson, president of the Junior Class. "Thankee Honorable Ones", a response, was given by Ronald Fisher, president of the Senior Class. A short talk, "I Talkee Muchee" was given by Paul Ray McKinzie. "Confucius Say", a humorous reading, was given by John Gleaton, president of the Student Body. Then a Junior Quartet sang "Cherry Pink and Apple Blossom White" and "Sentimental Journey". "Kowtow to Honored Seniors" was read by Judy Kay McCullough. An Orential dance, "In a Persian Market", was given by Nancy Caraway and Sharon Durham. Then the Junior Class sang "China Doll". A serious talk, "See No Evil, Hear No Evil, Speak No Evil" was given by the "Honorable Wise One", Mr. Troy Norris. As a parting tribute to the Seniors, the Junior sang "Sayonara".

The Senior Class of 1959-60 would like to express its appreciation and gratitude to the Junior Class for the memorable banquet in our honor. It was an enjoyable evening which we will always remember.

# Rain Falls During Freshman Picnic

The Freshman Class of 1959-'60 had their annual picnic Tuesday, May 16. They met at 5:30 at the High School. From there, the students rode busses to Lake Eanes. The sponsors were Miss Hattie Brightman, Miss Werner, Mr. Dean and Mr. Lightfoot.

Volleyball was the first activity. The girls played the boys. Of course, the boys won it was very close. There is nothing like falling in the lake; ask Pattie Middleton about it! Judy Burks is a good shot with a water gun but she is not very good at hiding it; so Miss Hattie knows! A candy eating contest is held with only three contestants, Judy Burks, Cassie Wilhelm, and Cheryl Braziel. Ask them about the candy and they will reply, "Funny, it tasted just like soap!"

The picnic was a real success until the rain came. The Freshmen entered town wet, happy, and ??? who knows?

# Twenty Seven CHS Students Honored For Services

Twenty-seven students were honored Thursday, May 20, for service rendered in various organizations for the past year.

## CHS [illegible]heerleaders

The [illegible]ew 1960-61 cheerleaders were el[illegible]ted on May 6. Two girls were [illegible]sen from the eighth grade. [illegible]y are Martha Hamrick and M[illegible] Wilkerson who will be fre[illegible] next year.

Jean [illegible]s, Deanna Durham, and R[illegible] Robertson were re-elected. [illegible]an has been a cheerleader for the past three years; Deanna and Ruth were cheerleaders this year. Cassie Wilhelm was chosen as alternate.

A total of eleven girls tried out for cheerleader positions. The cheerleaders were elected by the popular vote of the student body.

## Robertson, Cobb, King, and McKinzi Selected To Attend State Camps

Judith Robertson and Virginia Cobb were selected by the faculty to attend Girls' State. This selection was announced in a National Society meeting. Gary Don King and Paul Ray McKinzie are the boys to attend Boys' State. They will leave on this trip in June.

Judith has served as vice-president in the NHS for the last year. She has planned al programs for this club. Virg is also an NHS officer; she served as treasurer.

Gary Don has been the pr dent for the FFA Chapter for past year. He was one of candidates for the office of St ent Body President. Paul was elected Student Body Pr dent. He represented CHS in District and Regional Intersch astic Meets, winning first pl in the District Meet.

## Mrs. H. L. Fritts Taken By Death

Mrs. Henry L. Fritts, 65, resident of the Van Dyke community, Rt. 1, Comanche, passed away at 2:35 p.m. Saturday, May 21, in a Brownwood hospital, after a short illness.

Funeral services for Mrs. Fritts were conducted Sunday afternoon, May 22, at 3 o'clock in the Comanche Funeral Home Chapel. Rev. Guy Self, Comanche, pastor of the Zion Hill Baptist Church, officiated.

Interment was in the Zion Hill Cemetery.

Pallbearers were Mrs. Fritts' nephews: Jack Colcleasure, Loy Merritt, Lloyd Fritts, James Adcock, Glenn Fritts, and Bob Bowers.

Mrs. Fritts, the former Annie Mae Merritt, daughter of the late James Edd and Adra Parson Merritt, was born June 25, 1894 in Calhoun, Gordon County, Georgia. She came to Texas with her parents when she was six years of age and lived in the Sidney community for two years, following which the family moved to the Van Dyke community where they lived for eight years. The moved to Gustine and lived two years, then returned to the Van Dyke community, where she lived the remainder of her life.

She was converted early in life and was a member of the Zion Hill Baptist Church.

She was married September 6, 1914, to Henry L. Fritts, prominent farmer of the Van Dyke community. One son, Ogden, Comanche, was born to the couple. In addition to her husband and son, Mrs. Fritts is survived by one granddaughter, Janice Fritts of Comanche; a brother, J. E. Merritt of Brownwood, and three sisters, Mrs. Irene Wilson and Mrs. Neva Adcock of Gustine, and Mrs. Effie Bowers of San Angelo.

## Lou McCullough, Jerry Foreman Win Jr. High Titles

The Junior High students elected Mr. and Miss Junior High. Lou McCullough and Jerry Foreman were chosen.

Lou McCullough is the daughter of Mr. and Mrs. Elton McCullough of Comanche. Lou takes part in many activities at Junior High. She was cheer leader during football season and is forward on the basketball team. She also plays saxaphone in the Junior High Band. During the seventh grade she entered Interscholastic League declamation.

Jerry is the son of Mr. and Mrs. Thomas Foreman, Route 5, Comanche. Jerry is an honor student and is active in other activities. He was co-captain of the football team and plays basketabll. He won first place in the Interscholastic declamation at Stephenville in 1959. He was class representative on the student council in the sixth grade, and he was chosen runner-up

Runners-up for this year are Franklin Power, Martha Hamrick, Danny Morris and Kay Burfor Mr. Junior High last year.

## 1960 ARROWHEADS PROVE SMASH HIT WITH STUDENTS

The 1960 Arrowhead was a smashing hit with the students. The students received their Arrowheads last week and everyone has spent an enjoyable weke of signing annuals. Virginia Cobb said, "I have enjoyed the annual and think it is one of the best we have eevr had."

Mary Ann Durham, editor of the Arrowhead, has done a splendid job this year. Mary Ann has made every division page interesting and colorful. Her overall arranging has been excellent. The theme of the annual was "Sights and Sounds of C.H.S.", and the annual was dedicated to the advertisers.

This year Seniors have done an excellent job in each of their sections. Betty Burton and La Jane Davis have made the class section one of the best. Glenda Hanson did a fabulous job with the sports section. Many thanks go to Business Manager Mary Payne who did a splendid job of helping make the Arrowhead possible. Mary also did a wonderful job with personality section and the band section.

Mrs. Lightfoot, sponsor of the Arrowhead Staff, said, "I would like to commend every member of the Arrowhead Staff and especially the Senior members for making the 1960 Arrowhead one of the best."

The Arrowhead Staff would like to say a very special "Thank you" to Mr. Proffitt and Stanley Rauhut for their fine cooperation and wonderful pictures which made our annual one which we can be proud of.

## Sophomores Have Big Time On Picnic

On the 16th of May, four brave sponsors, Mr. King, Mrs. Chapman, Mrs. Newton, and Mr. Boyd—clutched a bottle of vitamin pills and tranquilizers, and prepared themselves for the Sophomore Class picnic. At 5:30 everyone finally piled in the bus and the fun-filled evening at Lake Eanes had begun. After a brisk hike up to "Look-Out Point", over the dam and spillway, and back to the picnic grounds — many Cokes, cookies, and sack lunches were quickly devoured. But, as always, time slipped away and the kids loaded the bus for home. But wait! Some are still fishing! Luckily, Mr. King (a faithful sponsor) noticed that the six "Loud-Mouths" of the class were not on the bus. Immediately the bus reversed its gears, the horn was honked, and finally the "six" were seen scrambling down the hill. Many scratches and cuts were shown as a result of the race to the bus, but everyone was finally on their way back to the school. The weary sponsors took a last gulp of their pills and the picnic was over.

As a grand finale for the Sophomores, John Dudley offered his beautiful home for a dance. Nearly everyone found a way out to his house and a wonderful party took place. Between dancing, playing football with John's little brother, Joe, and having a huge discussion of how great the past year had been, the kids all had a wonderful end to their class picnic.

SENIORS, GOOD LUCK!

May health, happiness and success be yours

generally been discovered than they have been used. important, she can point hat new kinds of commodit- re being developed more y than the old ones were sted. We have potentially ous supplies of petro- cals for use in plastics, ng, construction, and even nery. Many new products are more economical than the goods they are replacing — and better, too.

* *

Obviously, the teacher must keep abreast of new activities in government, industry, and labor in order to offer lucid explanations to her pupils. And if she is thoroughly afmilies with the general area of economics, she cannot help but enrich her teaching as she calls upon her knowledge for analogies and explanations in many subjects.

* *

The question will ultimately arise, "How can I, an elementary school teacher, integrate economic teaching into a conventional and relatively fixed curriculum?" As a case in point, take fifth-grade science. Several fundamental science areas are listed below, with a brief mention of economic topics rleated to each.

* *

1. The World of Living Things

By understanding processes of gentics and growth, we can change plants and animals to get more and better food. Hybrid grain crops, vegetables, and livestock are developed through knowledge of this science. Many imoprtant food plants have been acclimated to conditions in parts of the world where they could not have originally have lived; there they supplement and vary the diets of the inhabitants.

* *

2. Exploring the Inside of the Earth

By understanding the structure of the earth, we can find fuels and metallic ores more readily and produce them more efficiently. The value of minerals depends upon their usefulness to man—and also upon their scarcity, as in the case of diamonds.

* *

3. Sources of Electricity

This topic deals with the most flexible form of energy used in modern life. Electricity is industry's common denominator for energy. It can be transmitted, moved from place to place, very economically. In the coming world, nuclear energy, too, will be converted into electricity for cheap transmission, an important fact for countries with limited fuel resources.

* *

The reasons for introducing economic concepts at the elementary level then are many. But how can economics be justified to the children themselves? Mainly on the ground that it explains much that is otherwise difficult or impossible to understand. A great deal of motivation of human behavior is essentially economic. Not that economic man is the whole man; there are other things in life than earning a living and obliging one's creature desires. It is clear , though, that people live where they do because of the economic resources and opportunities which are available to them

As a case in point, let us consider the settlement of America. How much more lucid the history of our continent and our nation becomes to a child when he understands that Columbus was motivated by more than a spirit of high adventure; that the heavy population growth of the United States was due largely to a series of economic crises in Europe during the last century; that the first World War was caused in considerable part by the ambition of the German rulers to acquire new oil-producing lands to provide fuel for a growing navy and merchant fleet.

* *

The teacher who explains in economic terms is merely the teacher who tells her pupils why people live where they do, why they do the sorts of work they do, and why they buy and use the goods they do. She is simply letting the pupils in on a part of the inside story—the reasons behind the events in history.

* *

Nor is economics entirely bound up with, the dates in history books. It is as fresh as next year's news. By understanding some of the basic principles of economics, even though they are not expressed in the techincal jargon of the professional economist, the children will gain a better idea of where they are going. Even elementary school children are often seriously concerned with their own futures. And a little knowledge of how and why the economic world moves will help give them some foreknowledge of their own lives and careers and how they can plan them.

# 1960 Student Council Represents CHS Well!

The Student Council of 1960 has represented CHS well this year. The officers for '59-60 were John Gleaton, president; Ronald Fisher, vice-president; Beverly Weeks, secretary; Dick Lane, treasurer. The representatives from each class, elected in September, were Seniors: Nancy Davis and Dick Lane; Juniors: Beverly Weeks and Paul Ray McKinzie; Sophomores: Carolyn Goodson and Franklin Hall; Freshmen: Patricia Johnson and Troy Seckinger.

The other members were the class presidents which were Ronald Fisher, Senior; James Johnson, Junior; Nancy Caraway, Sophomore; and W. M. Day, Freshman.

The Student Council project for this year included making a wall case of all the valedictorians and salutatorians of CHS. Vists were exchanged with the Lampasas Student Council. In November, the council attended the Oil Belt Student Council District meeting at Ranger Junior College.

# Seniors Spend 3 Exciting Days At Mo-Ranch

At 5:30 A. M., on May 5, thirty-nine happy seniors and four sponsors climbed on the buses and began their long journey to Mo-Ranch Time passed quickly and soon Mo-Ranch loomed before them. Excited seniors bounced off the buses and immediately began a tour of beautiful Mo-Ranch. Lunch time soon arrived and the hungry Indians stormed the cafeteria.

An afternoon of fishing, swimming, sunbathing, ping-pong and many other recreations were enjoyed by all. During the afternoon some mean old "joker" put shaving soap in Miss Ross's nice clean bed and she never did find out who did it. Did she, Coach??

By the way, boys, how was sleeping with prickly pears? Say girls, did you ever find your toothpaste? Oh, yes, at the bottom of your bed. Well, now you know how your own jokes feel. Poor Miss Ross, were we really bad enough to turn your hair gray overnight? Gee, that can of silver spray was expensive!

The most popular game on the Senior Trip was pink-pong. Most of the seniors had never played ping-pong before; however, when they learned the proper techniques of the game, it spread with great popularity.

No one expected Glenda Hanson, Betty Burton, and Janetta Weems to go swimming attired in Bermuda shorts, blouses, socks, and shoes, and even their watches. Girls, were you really eager to go swimming?

After dinner each evening the class went to the chapel for a short devotional. Miss Ross played the organ and John Gleaton gave a short message. Prayers were offered by various students.

Twelve o'clock was the dreaded hour for this was the hour when all seniors were required to be in dorm, but sleep did not come with the stroke of midnight. Forty-two games began and lasted until the wee hours of the morning.

Miss Ross proved to be a very affectionate sponsor; she awakened each girl with a sweet good morning kiss and a squirt of shaving soap in the face.

Despite the broken slide at the river and the chilly water, most Seniors enjoyed splashing in the poo land river. Sunbathing also was a popular pastime! Ask Marilynn, Janie, and Pat, what too much sun does to the skin?

The brave sponsors who undertook this trip were Coach Smith, Miss Ross, Mrs. Eads, and Coach Moffatt. These tired sponsors who hadn't slept for two nights somehow managed to bring all thirty-nine tired, sunburned, happy Seniors home.

# We Seniors of 1960 Do Hereby Confess...

I, Mary Payne, confess that I really believe that Betty Burton planned for the slats to fall out of my bed at her slumber party.

I, Paulette Morris, confess that I did shoot out the street light in front of my house.

I, Burton Weems, confess to D. L. and P. W. that there isn't a "red gate."

I, Wayland Evans, confess that I have been in on so many things that they are too numerous to list.

I, Bob Slider, confess that I could have made Mrs. Lightfoot mad every day instead of every other day.

I, Don Sims, confess that Lanita Merrell did most of my bookkeeping for me.

I, Tucker Loudermilk, confess that I have spent 12 years of hard labor, and I am looking for a payroll in May.

I, Richard Lane, confess that I have faked the teachers out who kept the lunch line.

We, the Senior Class, confess that "Ping-Pong" is more fun than we realized.

I, Betty Burton, confess that the "Old Maids Club" has had a lot of interesting gab sessions.

I, Kindel Elliott, confess that I never tore the springs out of the typewriter in typing.

I, Janie Woods, confess that I played hookey and went to Sidney to see Mrs. Ottie Cox.

I, Marilynn Foreman, do confess that I have played hookey and didn't get caught.

I, Eldena Burks, do confess that I was the cause of more than one of Mrs. Lightfoot's headaches last year in Spanish II.

I, Charles Miller, confess that I do not hate English Literature. Ha!

I, Gary Don Swearengin, confess that I don't hate literature, it's just my attitude.

We, the Senior Girls, confess that we really enjoy playing Robin Hood at Glenda Hanson's house.

I, Nancy Davis, confess that I really don't study as much as people think I do.

I, La Jane Davis, confess that upon one or two occasions I have embarrassed the members of the "Old Maids Club".

I, Tommy McDonald, confess that I know a dog that bites.

I, Sue Harris, confess that all of my broken fingers have been on my right hand so that I hand.

I, Sue Butler, confess that I am not as bashful as I seem.

I, David Goodson, confess that I don't really hate all English Literature as much as I pretend. Just 99.99% of it. wouldn't have to write short-

Since the Senior Trip I, Marguerite Ross, confess that gray hair is most becoming.

I, Doris Hilliard, confess a few items were exaggerated in the column "That's Life," because that's life.

I, Joyce Nichols, do confess that I like blue convertibles.

I, Janetta Wems, confess that I have nothing to confess because I am a good girl.

I, Bob Hord, confess that I won't be glad when school is out.

I, Louse Helm, confess that I baked some cookies in Homemaking after dropping the dough in the dishwater.

I, Judy Lloyd, confess that I really did skip school on Career Day.

I, Bonnie Richards, confess that the Senior Trip was fun.

I, Glenda Hanson, confess that living between Comanche and Dublin has many certain advantages.

I, Joe Causey, confess that I really don't hate school.

I, Max Dean, confess that I have never read "A Tale of Two Sities".

I, Pat Haley, confess that I really do like tall boys.

I, John Gleaton, confess that the food at the Golden Fin is awful.

I, Gary Gregory, confess that I will be glad to leave this high school.

I, Judith Allen, confess that my car knows a lot and it won't tell.

I, Peggy Ellis, confess that I really can't draw.

I, Harlin Keating, confess that I know a lot about David Goodson, some good.

I, John McEwin, confess that Miss Ross started the shaving soap fight.

I, Pat Riordan, confess that fast cars and girls are thrilling.

I, Theron Rush, confess that loud mufflers are good for ears.

We, Marlin Johnson, Richard Terrell, and Ronald Fisher, confess that we have learned a secret formula for obtaining passes to leave school.

I, Mary Ann Durham, confess that my parents are not making me go to Baylor.

## CHS Publication Editors For '60-61 Are Selected

The eight first place and one second place winners of Comanche High School in the District Interscholastic Meet at Dublin journey to the Regional Met at Lubbock, but failed to place.

The first place winners were John Gleaton, senior declamation; Bob Slider, poetry reading; Paul Ray McKinzie, extemporaneous speaking; Rusty Durham, junior declamation; Ann Green, junior girls declamation; Beverly Smith, poetry reading; and Jackson Bowers, debate.

Mary Payne won second in ready writing and competed at Lubbock.

Calamity Jane's real name was Jane Burke.

---

John Adams was America's first minister to England.

## CHS Captures Eight Firsts In Literary Events

Janice Isham, Judy Kay McCullough and Janet Meyers are the editors of the 1960-61 publications.

Janice and Judy Kay will be co-editors of the Warrior and Janet will edit the Arrowhead. All have had two years of experience on the staffs. The girls are juniors and are active in school activities. Janice is first chair clarinet in the band and is junior representative on the band council. She was Carnival queen candidate her freshman year, class favorite and class secretary her sophomore year, and junior class vice-president. This year she is feature editor on the newspaper. She is the daughter of Mr. and Mrs. J. N. Isham.

Judy Kay's activities on the newspaper included being sports editor. Judy is a member of the Color Guard and plays a saxaphone in the band. She was class president her sophomore year and was FFA sweetheart her freshman year. Judy's parents are Mr. and Mrs. Elton McCullough.

Janet is assistant editor on the Arrowhead staff. She is president of the FFA chapter and will be pianist next year. She is also a member of the FTA and National Honor Society. Mr .and Mrs. V. A. Meyers are her parents.

The assistant editors for next year will be Nancy Caraway, yearbook; and Sherrilan Loudermilk, newspaper. They will be editors of the '61-62 publications.

### SAM WILKERSON BURIED AT SIPE SPRINGS

Sam Wilburt Wilkerson, 91, Comanche Route 5, was buried at Sipe Springs May 19. He died at the home of a step-son in Atosca County, Texas, May 17.

He had lived in the Sipe Springs area for 67 years.

## Lewis Rambo, Doris F. Hilliard Win FHA Honors

Lewis Rambo and Doris Fields Hilliard were chosen Mr. and Miss Future Teachers of the Year 1959'60. They were selected on the basis of dependability and service in the FTA club.

Lewis, who is a sophomore, is the president of the Ola Cunningham Club of the Texas Future Teachers of America. He was a delegate to the District Convention in San Angelo and the State Convention in Denton. Lewis is also an active member in the Indian band, serving in the trombone section. He is planning to be a minister. Lewis, better known as "Pug" is the son of Mr. and Mrs. Harold Rambo.

Doris, a senior, is secretary of the local club, and is the chairman of the membership committee. She is also active in FHA. Doris was a class officer last year. She was a member of the choral club where she was in the "Melodear Sextet." She represented the freshman class in the Halloween Carnival as the queen candidate. She is the daughter of Mr. and Mrs. Otis Fields.

This is the first time a Mr. Future Teacher has been chosen. In former years there has been only a girl chosen as "Future Teacher of the Year." Last year's Future Teacher was Nancy Cloud.

*We're Mighty Proud*

It is with a great deal of pride that we extend to you of this year's graduating class, our very best wishes and sincere congratulations.
